RF Connector Selection Datasheet

For SMA, N Type, BNC, TNC, SMP/SMPM and mmWave connector inquiries

Interface	SMA / N Type / BNC / TNC / SMP / 2.92 / 2.4 / 1.85 mm
Impedance	50 ohm standard; selected 75 ohm families by request
Frequency	DC to 6 GHz / 18 GHz / 40 GHz / 50 GHz / 67 GHz by interface
Mechanical	Straight, right angle, bulkhead, flange, PCB or cable mount
Materials	Brass, stainless steel, beryllium copper, PTFE or engineered insulators
Plating	Gold, nickel or passivation options according to requirement
Quote data	Interface, gender, frequency, cable, quantity, drawing or sample photo
